

Visnagar(8 sept 2020): Nootan College of Physiotherapy, a constituent unit of Sankalchand Patel University, Vsinagar, Dist: Mehsana arranged an online event for the celebration of world physiotherapy day. This year the theme suggested by the world confederation of physiotherapists is rehabilitation after covid 19 or corona disease in an attempt to increase public awareness about the importance of physiotherapy as an essential and integral part of health care delivery system. Event started Ramdhun by Preet Patel and team under the guidance of Dr Jayesh Thakrar. On this occasion, Shri Prakashbhai Patel, Chairman NSVKM and President of Sankalchand Patel University greeted all the physiotherapists working around the globe for their dedication in services to patients who require physiotherapy. Further, he stated that in north Gujarat Nootan College of Physiotherapy is the only physiotherapy college that is attached to Nootan Medical College and Nootan General Hospital, Visnagar that is providing world class physiotherapy education in this region and the management plans for the expansion of infrastructure for physiotherapy, Prof.(Dr) V.K. Srivastav, Provost in his address stated that physiotherapy and yoga has an important role in the rehabilitation after corona disease and Sankalchand Patel University is offering BPT(Bachelor of Physiotherapy) and PhD(Physiotherapy) courses and university is planning to start MPT(Master of Physiotherapy) from the next academic year.

Dean of Physiotherapy faculty in his address stated that Nootan College of Physiotherapy was started in 2016, in short period of time it has become popular all over the country, college is getting some students from other states and efforts are put up to get some international students so as to increase the cultural diversity and exchange of knowledge and ideas pertaining to physiotherapy field.

Dr. Subhash Khatri, principal of Nootan College of Physiotherapy in his brief address stated that as long we don't find a medicine that can restore muscle power, strength, endurance, flexibility, mobility, posture, range of motion, proprioception etc physiotherapy will always remain an important and essential part of health care and rehabilitation for most of the diseases including corona.

Dr. Arth Patel who was the chief guest for this function stated about the scope of physiotherapy in our country as well as abroad and stated about multidisciplinary physiotherapy clinics and rehabilitation set ups in India and presented his Setu Child Development and Rehabilitation centre visual glimpses for the benefit of emerging physiotherapists.

On this occasion, laughter yoga session was conducted under the supervision of Dr. Sakshi Thakrar. Quiz competition was conducted by Dr Roshni Patel. Best teacher award was given to Dr. Nidhi Vedawala, best clinical physiotherapists award was given to Dr. Karishma Barot and non teaching staff were appreciated with certificates and memento for their dedicated services throughout the year. Academic achievements of students were appreciated with certificates. For this event, Dr. Vidhya Rajput was organizing secretary, Dr Priyanka Chaudhari was master of ceremony.
