PROGRAM OBJECTIVE

The objective of this event is to recognize, facilitate and felicitate the Intellectual Property, innovations, and best practices in Sankalchand Patel University. We strongly believe that there is a need to create IP awareness amongst all sections of societies. In order to enforcement of IP rights of individuals/companies, it is important that the countries enforcement agencies and Judiciary are sensitized and up to date with the latest IP laws and that's the motive of this event.

Ministry of Education, Govt. of India has established an 'Innovation cell' with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. 'KAPILA: Kalam Program for IP Literacy and Awareness' is a scheme that supports the institution to uplift the IPR awareness and provides financial assistance for filing a patent.

KAPILA's plays vital role for creating awareness regarding the need of IP filing, mechanism and methodology involved in filing IP in India and globally, especially amongst students and faculty of higher education institutions.
