This screenshot shows the same Zoom meeting from a different perspective. The 'Participants (32)' list is now visible at the top right, showing a subset of the previous list including ANKIT, Ankit Patel, Ankur Goswami, Ankur Singh, Chhaya Patel, Darji Jitendra H, Dhaval Patel, Dr Abhijitsinh, and Dr Amit Patel. The main content area displays a presentation slide with text about Intellectual Property Rights (IPR). The text defines IPR as a collective term for Intellectual Property Rights and explains that intellectual property broadly means legal rights resulting from intellectual activity in industrial, scientific, literary, and artistic fields. It also states that these rights allow creators or owners to benefit from their work or investment. The NIPAM logo is visible at the bottom right of the slide. A video feed of the same man from the previous screenshot is visible on the left side of the main content area. The bottom toolbar remains the same.
