We are happy and proud to announce that we got the permission of State Private University. Our roots are strong and deep. They go back to 1941 when my grandfather Late Shri Sankalchand Patel started a school in the barren land where education was not accessible for children.

Today, three quarter of a century later, we have become a leading educational Institution in the Northern Gujarat region which now has become a University.

In fact, Sankalchand Patel University, a union of Nine colleges of Nootan Sarva Vidyalaya Kelavani Mandal, Visnagar is growing faster than ever. Our thrust is to stand out by providing quality education and a bright future to the students.

We are committed to our vision of helping the community through effective education and successful career which ultimately results in social improvement and reformation. And with the establishment of Sankalchand Patel University now, we are one more step closer to fulfilling our vision. Today, I invite you to be part of the SPU family.
