

Branch Name:	MANAGEMENT (Public Administration)
Program Code:	MS201
Course Name:	Public Policy and Administration in India
Course Code:	2MS2010463T
Pre-requisite Course:	Government Policy, Indian Constitution

Course Objectives:

- Policy Analysis and Research Objective:** Develop proficiency in policy analysis by completing at least two internships or research projects focused on analysing public policies, identifying key stakeholders, evaluating their effectiveness, and proposing evidence-based recommendations for improvement.
- Government Engagement Objective:** Strengthen engagement with government agencies and policymakers by actively participating in at least three public forums, seminars, or workshops related to public policy and administration, networking with professionals in the field, and seeking opportunities for collaboration on real-world policy issues.
- Leadership and Advocacy Objective:** Enhance leadership and advocacy skills by joining a student-led organization or initiative focused on addressing a specific social or public policy issue, taking on a leadership role within the organization, and leading advocacy campaigns or projects aimed at raising awareness and driving positive change in the community or society at large.
