# Founder CONTRIBUTION

CONTRIBUTIONS FROM LATE SHRI SANKALCHANDBHAI PATEL – FOUNDER CHAIRMAN, NOOTAN SARVA VIDHYALAYA KELVANI MANDAL

**“Teach your children even by tying a bandage on your stomach”** – these words, which came naturally from his mouth, show a strong passion for education and a sagacity of social upliftment. In the year 1940-41, Nootan Sarva Vidyalaya was born and this seed which was planted by late Shri Sankalchandbhai Patel, today has become a banyan tree- The “Shankalchand Patel University” or SPU

## PATRIOTISM AND PHILANTHROPY PERSONIFIED

Born on 28-02-1909, a school dropout, young Sankachchandbhai dedicated himself in a freedom movement with strong desire to serve to people around him. He was pioneer figure in initiating & nurturing many social organizations meant to serve the people and hence eminently known as a “Vishwakarma” of Visnagar. Always driven by philanthropic values in his heart, he instituted “Visnagar Taluka Labor co-op union” and became its fonder chairman. With a principle “without cooperation there cannot be any development” he initiated many public welfares related activity like “Tube well drilling “, “Launching of the Brand Sahakar Engine oil”, “Production of Agricultural tools “and “Supplying quality Seeds for farming” etc. under his chairmanship that raised standard of living people of North Gujarat region especially the farmers.

## THE UNFULFILLED DREAM OF HAVING UNIVERSITY IN A VISNAGAR BECAME REALITY TODAY

“Education is only tools that bring transformation in lives of the people” was value system he followed and raised a strong demand to than government for establishing a university in Visnagar. “Come what may you, educate your child” came a voice from him and resolved to provide whatever resources needed for establishing the university. Although this dream was not fulfilled at that time, today his own grandson Shri Prakashbhai, who is persona of his “Dada “, has fulfilled his dream by establishing a university par excellence having various faculties of Medicine, para-medical, Technology, Management, Computer applications, Science and Commerce, under a single state-of-the-art integrated campus.

### **THE ENCYCLOPEDIA OF MOTHER TONG- GUJARATI VISHWAKOSH**

Lord Krishna once said, "There is nothing in this world beyond knowledge. Go to a wise man and get knowledge." This essence of the Gita was digested by Sankalchandbhai. When Dhirubhai Thackeray told him about the usefulness of the encyclopedia, he said, "Start the activity, don't stop without anything, if you need me, tell me for sure." That's all. Two or three days later he called Dhirubhai. "What happened to the encyclopedia? Go ahead for work, leave your financial question to me"- He sent money required, put the office under his own supervision and the people of Gujarat got 'Vishwakora' in their own language. What an insight and vision of a man who has read three books!

### **NORTH GUJARAT GOT ITS LIFELINE -THE DHAROI DAM**

"It is necessary to fall into politics for the sake of service, not for the sake of power" was his belief. He was a completely different kind of politician from today's politicians. Nowhere in his political life is there was any deception. He spoke the truth and presented his opinion with conviction without any hesitation or anyone's influence. He stalwartly kept raising his voice on the questions of water scarcity in the north Gujarat region at the state legislature and central level. His efforts finally paid off when the region got its first major irrigation dam- The Dharoi dam, solving major crisis arising due to lack of drinking water and irrigation facilities.

# About UNIVERSITY

## A WORLD-CLASS UNIVERSITY WHERE LEARNING IS NURTURED AT EVERY CORNER!

Nootan Sarva Vidyalaya Kelavani Mandal (NSVKM) was established in 1952, by Shri. Sankalchand Patel, a freedom fighter and a social entrepreneur. The aim was always to create a value-based diversified education system for the students of North Gujarat.

The university was established on 9th May 2016 vide Gujarat Private Universities (Amendment) Act, 2016 and is spread across 84 acres of land. Today, the university is home to various institutes offering Medical, Dental, Nursing, Pharmacy, Physiotherapy, Engineering, Computer Science, Commerce, Management, Design. The university also houses some of the most state-of-the-art infrastructures in North Gujarat.

## A LEGACY OF TRUST AND FULFILLING EDUCATIONAL ASPIRATIONS

Sankalchand Patel University's history can be traced back to 1952 when Nootan Sarva Vidyalaya Kelavani Mandal (NSVKM) was established by Shri. Sankalchand Patel, a freedom fighter and a social entrepreneur. The objective was to fulfill educational and socio-cultural needs of the people in North Gujarat. It was the collective vision of Shri. Sankalchand Patel and the Trust which helped Nootan Sarva Vidyalaya Kelavani Mandal (NSVKM) achieve the status of Sankalchand Patel University (SPU). At the university, value based diversified

education was given prominence and delivered to the students in North Gujarat.

Since 2014, under the dynamic leadership of Hon'ble Chairman, Shri. Prakash Patel, the trust has effectively achieved its goal to fulfill educational needs in the area through the Nootan Education cluster of 2 schools and 13 colleges on two separate campuses. The Trust commenced its first educational activity with the setting-up of the Nootan High School in Visnagar.

Today, the trust successfully administers educational institutions right from primary schools to graduate and post graduate colleges and other professional courses including Ph.D. programs. The trust's unswerving efforts towards the growth of education have earned its institutes many merits and a resilient name in the educational campaign of India.

## FROM PRESIDENT'S DESK

**T**he phenomenal growth and development of Visnagar, a well-planned and unique educational town situated in North Gujarat, is stranger than fiction. Based on local talent and local resources, it is a peerless example of self-reliance and dedication.

Nootan Sarva Vidyalyaya Kelavani Mandal (NSVKM) Trust, the pioneer of education activities in the town, has achieved the Status of Sankalchand Patel University in 2016 and created a path for value based diversified education in North Gujarat region and taking it beyond.

Today, the University successfully administrates educational institutions from primary school to graduate and post graduate, with Technical, Medical, Paramedical and other Professional Courses. The University's consistent efforts in education have earned its institutes and colleges many merits and a strong name in the education movement in India. The SPU currently operates 13 institutes in a single integrated campus, offering various courses in the faculties of Medicine, Engineering, Pharmacy, Dental, Nursing, Physiotherapy, Science, Commerce, Management, Computer Application and Fashion Designing Management.

We are constantly crafting and upgrading campus with state-of-art infrastructure. As a result, today, SPU is having lush green campus with all modern amenities that creates stimulated environment for the students in various faculties from undergraduate to Ph.D. programs. We are also upgrading

infrastructure for the Medical college, General Hospital, Hostel building, Residential quarters for the betterment of the students and faculties. With people's health cause in our mind and heart, we have established "Designated Centre to fight COVID 19 pandemic situation" within Nootan General hospital in the SPU campus. Not only that, within very short span of time, we have also established Government of Gujarat Approved and NABL & ICMR accredited molecular lab for testing COVID patients. This proved to be boon for the society at large in the whole North Gujarat Region as the people are suffering a lot due to CORONA pandemic situation. Our another pet project includes optical fibre based computer network connecting the campus with Wi-Fi connectivity. This brings in world-class learning experience for the class room and laboratory learning in various faculties that SPU runs. In addition to that recently the SPU has been allocated Super Computer from Government of Gujarat's Science & Technology department which helps our students and faculties to carry out higher scale research.

A new year gives you a chance to begin new and fresh... it is an opportunity to look ahead and work harder to make it a better and a brighter future.... Wish you lots of luck as you are all set to begin a new year ... May you shine bright and happy with your efforts.

**- Prakashbhai Patel,**  
President, Sankalchand Patel University

## FROM PROVOST'S DESK

Dear Patrons, Parents and Prospective Students,

**M**y hearty welcome to you at Sankalchand Patel University, a splendid temple of learning formed by Late Shri. Sankalchand Dada. Today we are looking at a greater world in front of you, having lots of opportunities and promises. Considering the dynamic scenario of the education system as well as highly demanding job market worldwide, you need to be ready with practical knowledge and skill but not at the cost of value. You need to enroll for higher education and look for an institution which can cater to the current needs.

At Sankalchand Patel University, we have diversified courses available, meeting requirements of every student. Our faculty at the university are strongly committed to provide skill and value-based learning considering the societal needs. Various faculty under the university have all the latest technological facilities required in the career of your choice.

We emphasize on imparting excellent education to our students in an encouraging environment. We pay equal attention to the all-round development of our students and provide them ample opportunities for giving expression to their inner literary creative and artistic talents as well as, sportsmanship, which leads us to proudly say that 'Tomorrow is Ours'."

– Prof.(Dr) P. M. Udani,  
(Provost, Sankalchand Patel University)

## The Cosmopolitan STUDENTS...

**T**he Sankalchand Patel University is an international university with a global reputation for high-quality education. We have a passion for breaking new ground and creating impact in everything we do.

The decision to study abroad is exciting and developmental for one's education. At the same time, finalising a choice can be confusing. In the end, opting for the right destination to pursue higher education is vital for having a rewarding educational journey. But students can end their quest as Sankalchand Patel University, North-Gujarat, India is one such destination! The quality of education offered by Sankalchand Patel University makes India an attractive educational hub. The state-of-the-art institutes equipped with modern facilities impart interactive and holistic learning, making

them an ideal choice for international students wanting to study abroad.

In order to facilitate easy access to the education landscape of India, the Study in SPU Programme steps in and extends complete support to the international students. The flagship project of the Ministry of Education, the Study in India Programme, hosts students seeking higher education through its constituents colleges offering courses in disciplines such as Medical, Dental, Nursing, Pharmacy, Physiotherapy, Engineering, Computer Science, Commerce, Management, Fashion Design. etc. The university also houses some of the most state-of-the-art infrastructures in North Gujarat. Furthermore, they are available in different Programme levels, including undergraduate, post-graduate, PhD and certification-based.

“The college has a high proportion of students progressing from Level A into Higher Education

”
